Your Community. Your Hospice.

Celebrating a Remarkable Partnership

with Bonita Mesa

Left to Right Tex & Julie Pate, Harry & Betty Wright, Don Zuther, Tilly & Brian Yagos.

There are some partnerships that become part of the heart of an organization, and our relationship with Bonita Mesa is one of them. For many years, the wonderful, caring residents of Bonita Mesa have poured their time, energy, and compassion into organizing a fundraising auction that has made a lasting difference for Hospice of Yuma. Whether planning another fundraising auction, volunteering, donating, or simply showing up year after year, they have demonstrated what it truly means to care for your community.

Because of their generosity, countless patients and families have received comfort, dignity, and compassionate care during some of life's most difficult moments. While they may never know each of your names, they have felt the impact of your kindness every day through the care and support made possible by your efforts.

Celebrating a Remarkable Partnership

with Bonita Mesa

Your fundraising auctions have become legendary!

Auctioneers Tex and Don had the crowd having fun, and all the while raising money for Hospice of Yuma. They are a reflection of the values we share, compassion, service, and a commitment to helping others when they need it most. The friendships that have grown through this partnership and the memories created along the way are just as meaningful as the funds raised. It is impossible to measure the number of lives you have touched over the years. Every dollar raised, every volunteer hour given, and every act of generosity has helped bring comfort, hope, and peace to members of our community.

From everyone at Hospice of Yuma, and especially from the patients and families whose lives have been enriched by your support, thank you. Your dedication has been a gift beyond measure, and we are deeply honored to call Bonita Mesa our partner and our friend. Thank you, Tex & Julie Pate, Harry & Betty Wright, Don Zuther, Tilly & Brian Yagos, the fundraising committee, and all of the residents of Bonita Mesa!

We look forward to celebrating many more years of working together to make a difference—one family, one event, and one act of kindness at a time.

A Gift That Lasts Beyond a Lifetime

For more than 45 years, Hospice of Yuma has had the privilege of walking alongside patients and families during life's most difficult moments. Since 1981, we have remained Yuma's only local nonprofit hospice, dedicated to providing compassionate, dignified end-of-life care to every patient who needs us—with or without insurance.

As we reflect on another year of serving our community, I am reminded that none of this would be possible without the kindness and generosity of people like you. Your support is much more than a donation—it is a gift of comfort, compassion, and peace for neighbors facing a terminal illness. It allows families to focus on spending precious time together instead of worrying about the financial burden of care.

Every day, Hospice of Yuma provides skilled medical care, pain management, emotional support, counseling, and guidance to patients and their loved ones. For many families, these services become a source of strength during one of life's most challenging journeys.

Through our Charitable Care Program, we continue our promise that no qualified patient will ever be turned away because of not having insurance or financial resources. This commitment has remained steadfast since our founding in 1981.

As Yuma's community continues to grow, so does the need for hospice care. The generosity of our donors ensures we can continue serving those who need us most. Whether your gift helps provide medications, medical equipment, nursing care, or emotional support, every contribution makes a meaningful difference in the lives of our patients and their families.

To those who have faithfully supported Hospice of Yuma throughout the years, please accept my heartfelt gratitude. Your compassion has touched countless lives and has allowed us to continue fulfilling our mission with dignity, respect, and love. Your generosity leaves a lasting legacy that extends far beyond a financial gift—it provides hope, comfort, and peace when it is needed most.

As we enter this fall season, I invite you to consider continuing your support of Hospice of Yuma. Together, we can ensure that every terminally ill patient in our community receives the compassionate care they deserve. From myself and all of us at Hospice of Yuma, thank you for believing in our mission and for helping us care for our neighbors with kindness and compassion. Your generosity truly makes a difference.

A Message From Anette Wineland, Director of Operations

My journey into hospice care began with a very personal experience. When my father received hospice services, I witnessed firsthand the immense impact hospice nurses have on patients and their families. The compassion, support, and comfort they provided during such an important time inspired me to pursue a career in hospice nursing. It was at this time that I decided to leave my job as a high school teacher and enrolled in nursing school, with the goal of becoming a hospice nurse.

I joined Hospice of Yuma 13 years ago as an RN Case Manager, where I had the privilege of caring directly for patients and families. Throughout my career with the organization, I have been fortunate to grow both professionally and personally. I later served as an RN Educator, helping to train and support our clinical staff, before being promoted to Patient Care Coordinator and then Director of Clinical Services.

Today, I am honored to serve as Director of Operations. Each role I have held has strengthened my commitment to our mission and deepened my appreciation for the dedicated team members who make exceptional hospice care possible every day.

One of my primary goals is to help continue growing hospice care within the Yuma community so that more patients and families can benefit from the compassionate services we provide. I am equally passionate about supporting our staff, who work tirelessly to deliver the highest quality hospice care throughout Yuma County. By investing in and encouraging our team, we can continue providing the comfort, dignity, and support that our patients and families deserve.

It has been a privilege to spend the past 13 years with Hospice of Yuma, and I look forward to continuing to serve our community while supporting the incredible professionals who make our mission a reality.

Volunteer Spotlight

**Steve & Rachael
Nickle**

Steve and Rachael Nickle have been dedicated volunteers with Hospice of Yuma for the past four years and are also regular donors to the Hospice of Yuma Thrift Shop. Their generosity and commitment to our mission continue to make a meaningful impact to the community we serve.

Recently, a friend of theirs was moving into a new home. Recognizing an opportunity to help, Steve encouraged her to donate her appliances to the Hospice of Yuma Thrift Shop rather than discard them. Thanks to this simple act of kindness, our Thrift Shop received valuable donations that will help support Hospice of Yuma's programs and services.

It is often the little acts of generosity that make the biggest difference. We are grateful for volunteers like Steve and Rachael who consistently find ways to support our organization and strengthen our community. If you are looking for a meaningful way to give back and make a positive impact in Yuma, we invite you to join our volunteer team. Together, we can continue serving our community with compassion and care.

VOICES OF JOY AND VOCES DE ALEGRIA

We are proud to recognize our two wonderful groups of dedicated volunteers who bring the joy of music to group homes, assisted living, and independent living communities throughout our area. Since 2023, under the leadership of Sherry Binger and Leonard Diedolf, the Voices of Joy volunteers have shared uplifting musical performances across our community. Soon after, Voces de Alegría was formed by a group of dedicated Hispanic volunteers who, in collaboration with Hospice of Yuma, have faithfully visited the San Luis and Somerton Senior Centers each month.

A heartfelt thank you to Angelita Easton, Evelia Valle, Blanca Allt, Sandra Meza, Luz Morales, Maria Lime, Judith Soria, and Lupita King for sharing their time, talents, and compassion with our community.

Honoring Veterans Through Grief Support Brigades

Each month, our Grief Support Center is honored to partner with the Arizona State Veterans Home by providing compassionate one-on-one grief support to its residents. Through this meaningful volunteer program, trained volunteers dedicate their time to listening, offering encouragement, and providing a caring presence to Veterans who are navigating the loss of loved ones, life transitions, and the emotional challenges that can accompany grief.

These regular visits create opportunities for connection, comfort, and healing. By building trusting relationships, our volunteers help ensure that each Veteran feels heard, valued, and supported. Their kindness, patience, and commitment make a lasting difference, reminding our Veterans that they are not alone on their grief journey.

We extend our heartfelt appreciation to Jan Hathaway, Jim Babcock, Ervin and Nancy Barnes, Paul V. Perrault, Mark Jones, Leonard Diedolf, Maria Lime, Tanya Geese, and Linda Clarkson for their unwavering dedication and compassion. Your generosity of time and spirit has touched countless lives, and your continued commitment to this program reflects the very best of our community. Thank you for making such a meaningful impact on the lives of the Veterans you serve.

NATIONAL HOSPICE MONTH

Help us make a difference in the lives of our patients and their families!

"I MAKE A DIFFERENCE" GIVING CAMPAIGN

As Yuma County's ONLY nonprofit, four-Star hospice, Hospice of Yuma understands that a terminal illness brings unexpected challenges for patients and their loved ones. Families often need to adjust quickly to a new reality, and we are committed to providing compassionate support every step of the way. Our mission is to ensure that every person in our community has access to exceptional hospice care regardless of their insurance coverage or ability to pay. We are dedicated to delivering compassionate, professional, and skilled care that helps our patients live with comfort, dignity, and the highest possible quality of life throughout their end-of-life journey. Since launching our "I Make a Difference" Giving Campaign in 2019, your generosity has made an extraordinary impact. Together, we have raised more than \$350,000 to support hospice care for patients and families in our community. On behalf of the patients and families we serve, and everyone at Hospice of Yuma, thank you for your continued generosity, compassion, and belief in our mission. Together, we can continue making a meaningful difference in the lives of terminally ill patients and their families throughout Yuma County.

DONATE ONE DAY, THREE DAYS, OR EVEN A WEEK OF HOSPICE CARE.

A REGULAR DAY OF CARE FOR A PATIENT COSTS \$170.00.

WHAT DOES THAT PATIENT GET IN RETURN?

- Physician and Nurse who make regular rounds to check on the patient, document any changes, and provide care and symptom management
- Medications & medical equipment needed for patient care.
- Certified Nurse Assistants who attend to patients' personal care needs.
- Social Workers to listen and guide a patient and their family on things that concern them.
- Chaplain to offer spiritual support and lend a sympathetic ear.
- Bereavement support from beginning to end. Insurances require, but HOY does not receive reimbursement.

All of this amounts to comfort...personalized care... the sense of being taken care of during a difficult time with a team who will be there every step of the way.

LET YOUR LEGACY BE

Quality of Life

Hospice of Yuma's Legacy Partner Program was established over 10 years ago. The program is designated to provide hospice care to people who may be facing a terminal illness and who may not have the ability to pay for hospice care.

Your donations help Hospice of Yuma, a non-profit organization, continue to serve the Yuma community as we have for the last 44 years. Your donations also help cover the costs for a patient's day of service, pain medications, medical equipment, medical supplies, and a compassionate team of professionals.

Please consider joining our Legacy Partner Program and help Hospice of Yuma continue their mission to help those who need hospice care and continue to be here for generations to come.

To be part of our Legacy Partner Program, the minimum donation is \$170.00. This would make you a Bronze Partner. We also have the Silver, Gold, Platinum, Benefactor and Founder Partner. You can make your donations in whole, quarterly or monthly payments. The option is yours.
